Modification

Modifications of the font software require written permission by RVT.

Copyright

You agree that the font software is exclusive intellectual property of RVT. You acknowledge the software is protected by the German Copyright Act, whose provisions are considered agreed even if the requirements for a copyrighted work, especially in respect to the required creation height (§ 2 para. 2, German Copyright Act), are not reached. The agreement applies to design laws of other nations and international treaties as well.

Under no circumstances shall RVT be liable to you or any other party, whether in contract or tort (including negligence) or otherwise, for any special, consequential, or incidental damages, including lost profits, lost savings, lost business opportunities or business interruption as a result of the use of the font software even if RVT has been advised of the possibility of such damages. Under no circumstances shall RVT's liability to you exceed either the refunding of the cost of the font software or replacement of the font software.

Breach and Termination

Any violation of the terms of this agreement shall cause this license to be terminated. In the event of termination, and without limiting any other remedies which may be available against you, you must immediately return the font software to RVT and certify that no copies remain in your possession.
